HISTORY

The Santa Barbara Music Club was established in 1969, and is a non-profit 501(c)3 organization.

OUR MISSION

The mission of the Santa Barbara Music Club is to contribute to the musical life of our community through the following:

- (1) Presentation of an annual series of concerts, free to the public, featuring outstanding solo and chamber music performances by Performing Members and invited guests;
- (2) Promotion of American music and artists;
- (3) Presentation of workshops and other community outreach activities, including bringing great music to residents of area retirement homes;
- (4) Aiding and encouraging musical education by the disbursement of scholarships to talented local music students.

PERFORMING ACTIVITIES

Concert Series

The SBMC presents the largest concert series in the Santa Barbara area: twice-monthly concerts from October to June. Programs are held at Faulkner Gallery of the Santa Barbara Public Library and other venues, and feature Performer Members and invited guests.

There are two series: MORNING CONCERTS, held at 11 a.m. the second Wednesday of each month, and MATINÉE CONCERTS, held at 3 p.m. various Saturdays.

Two Scholarship Winners Concerts are held at the conclusion of the season, presenting winners of the SBMC Scholarship Awards. In addition, gala concerts commemorating composer anniversaries or other special events are often scheduled.

Concerts highlight both traditional and contemporary repertoire, performed by instrumental and vocal soloists and chamber ensembles.

All concerts are open to the public, admission is free, and venues are wheelchair accessible.

Concert information is available on the SBMC website, in our monthly newsletters, in local newspapers and on radio.

Community Outreach

SBMC members regularly present solo and chamber music performances at retirement homes and care centers. These programs are an important extension of our commitment to bring music into the community, especially to shut-ins who are unable to attend our regular concerts.

Workshops

SBMC members perform informally for each other in private homes. The congenial atmosphere offers members opportunity to gain performance experience or to preview music prior to a recital or other public performance.

EDUCATIONAL ACTIVITIES

Scholarships

Through the generosity of our donors, the SBMC awards scholarships to talented young performers who are residents of Santa Barbara County. Announcement of these annual scholarships is made in late January, and Guidelines and Application Forms are posted on the SBMC website. The Scholarship program is administered by the SBMC Scholarship Committee.
